11. Adjournment

PLEASE NOTE: There will be two meetings in the month of November.

*On **November 10th**, we will hold our normal board meeting beginning at 5:30pm. A week earlier than our normal schedule, this will be the final opportunity to finalize items and activities for our AGM. On **November 17th**, we will be holding a virtual AGM. It has been suggested (for those comfortable doing so) the Board be in one location for the AGM and we host our members and the public via a virtual webinar. We will also encourage the use of masks for those of us seated together. This will be a first for us, and voting will be a bit of a challenge; however, it's important we, as the BIA Board, demonstrate assurance through our unity.*
