Tiger Chicken and Ribs Opens Second Location in Downtown Belleville

Belleville, Ontario, August 6, 2021 - **Tiger Chicken and Ribs** has seen great success in their Trenton location, offering different flavours and broadening customer's food horizons. Now expanding to Belleville, Tiger Chicken and Ribs will be open for lunch and dinner and is excited to serve their Belleville fans and soon-to-be-fans. The restaurant has just officially opened their location at **190 Front Street** in the Downtown District.

Tiger Chicken and Ribs is a family-style restaurant. They offer quality food at a great price where you can enjoy anything from their famous chicken and ribs to pasta, burgers and so much more.

Owner Soma Kugan has been in the restaurant business for over 20 years now. He started off as a dishwasher and worked his way up to supervisor, manager and finally as an owner of his own restaurants. This is a job he is passionate about and that he very much enjoys.

On Friday, August 6, Owner Soma Kugan was joined by MPP Todd Smith, Mayor Mitch Panciuk, Councillor Allsopp, Councillor Feeney, Councillor Malette, Councillor Thompson, Councillor Carr, Councillor Sandison, City of Belleville staff, Lisa Grills and Peter Kempenaar from the Belleville Chamber of Commerce and Luisa Sorrentino, Sara Behring and Tiffany Spencer from the Downtown District BIA for an official ribbon cutting and grand opening ceremony.

Soma chose to open the second location in the Downtown District because of the demand for a second location, and the perfect space becoming available.

"We chose to open in Downtown Belleville because we love the city," says Soma. "It has a small-town vibe, but is also bustling with excitement. There is always something going on and we very much wanted to be a part of that excitement."

Soma's plans for the new location are simple. They want to continue to make great food, meet new people and welcome familiar faces like they have done for the past four years in Trenton.
