A Taste of the Tropics in Downtown Belleville

Belleville, Ontario, March 10, 2022 - That Aloha way of life has landed in Downtown Belleville. Tropical Blends Cafe celebrates its Grand Opening at 322 Pinnacle Street.

On Thursday, March 10, Owners Emily and Charles were joined by Belleville Mayor Mitch Panciuk, Councillor Garnet Thompson, Jill Raycroft from the Belleville Chamber of Commerce, David Joyce from MPP Todd Smith's office, Ingrid Moore from MP Ryan Williams' office and Luisa Sorrentino from the Downtown District BIA for an official ribbon cutting and grand opening ceremony.

Tropical Blends Cafe offers patrons a variety of handmade smoothies, locally-made bagels and coffee in a tropical and relaxed cafe environment.

"In creating Tropical Blends we wanted to offer a place for you to catch a moment of calm in a busy world. Enjoy a freshly blended smoothie, a carefully poured coffee or snack on some fresh and delicious offerings from our menu," said Emily Barnett, Co-Owner, Tropical Blends Cafe. "Our menu is carefully curated and features tons of goods from local businesses in our community. Serving our community sustainably is our number one priority."

Emily and Charles found inspiration for their cafe in their trips to Hawaii and other tropical destinations.

"In a fast paced world full of processed and convenience foods we wanted to give our patrons the chance to slow down and enjoy a delicious coffee alongside vibrant and healthy food that's as easy on their eyes as it is their body," said Emily. "We are truly excited to bring this dream of ours to beautiful downtown Belleville!"
