Grand Opening of Law & Orders Burgers + Fries in the Belleville Downtown District

Belleville, Ontario, May 24th, 2024 - On Wednesday, May 22nd, Jaime Law and his team opened up their seventh location of Law & Orders Burgers + Fries at 400 Front St, Downtown Belleville.

Law and Municipal members joined together to welcome the new addition to the Downtown Core. Fire personnel and Belleville officers were present to welcome Law & Orders taking ownership of the historic Firehall building. Belleville, Mayor Neil Ellis, Fire chief Dan Smith, Executive Director Danielle Hanoman and Chair of the BDIA, Maury Flunder joined Jaime Law in cutting the official ribbon to open the restaurant.

Law & Orders began in February 2014 with their first location in Pembroke, Ontario. Jaime very proudly expressed “We're a family oriented business. My dad was my biggest inspiration and sadly he passed away before I opened the first Law and Orders restaurant. It means so much to me that my boys are able to be involved and be recognized by kids on the playground as the ‘Burger boys’. They like to represent the brand and that makes me so proud.”

Jaime and his team offer classic hearty hamburgers, chicken burgers, hotdogs, sandwiches, wraps and all day breakfast burgers! You can pair with the burgers the option of hand cut fries, onion rings and other snacks all to seal the deal for anytime of the day. They also offer many drinks along with milkshakes and sweet treats.

Jaime is happy that Downtown Belleville has welcomed him with open arms and is excited to see his Belleville location flourish. Visit Jaime and his team at Law & Orders Burgers on 400 Front St, Downtown Belleville and find them online at <https://lawandorders.ca/>
